[^0]
[^0]:    ${ }^{1}$ Floating-rate proceeds are calculated based on the sizing note rate.
    ${ }^{2}$ The DCR calculated for the partial-term interest-only and full-term interest-only period uses an amortizing payment.
    ${ }^{3}$ For partial-term interest-only loans, there must be a minimum amortization period of 5 years for loans with terms greater than 5 years. Acquisition loans with 5 -year terms may have up to 1 year of partial-term interest-only. For terms of 10 years or more, loans may have interest only in an amount equal to no more than half of the loan term.
    ${ }^{4}$ Skilled nursing cannot exceed a maximum of $20 \%$ of the overall property net operating income.
